

Join our Microsoft Teams meeting

Microsoft Teams works on nearly all devices

PC/Mac computer (Recommended)

Tablet (Apple or Android)

Smartphone (Apple or Android)

Days before

Go to <u>microsoft.com/teams</u> to get the app for your device.

15 minutes before

- Find a quite space with strong Wi-Fi.
- Test your Wi-Fi at <u>speedtest.net</u>.
- Close other apps that are unrelated to the class.
- Go to <u>salemhealth.org/BariatricGroup</u> and click the join button to join the meeting.

Join the meeting

- When joining the meeting, you may be asked to set up set up your device's permissions (camera and microphone).
- You can join with your existing account, if you have one. If you don't have one, you will need to enter the meeting ID and Passcode, which are the same for every meeting.

 Meeting ID
 273 871 429 165

 Passcode
 f2BPbi
